Class History

The Senior Class of 1946 began its school career in 1935 under the leadership of Mrs. Louise Stinson. Out of the twenty-three Seniors, five of us have journeyed the eleven years together. They are: Burns Ashley, Luther McNeil, Tinsley Griffin, Wanda Chestnut, Lona Joyce Cherry, and O'Neil Harris.

We traveled through the eight grades picking up bits of knowledge here and there. The pupils that came into high school, who did not start in the first grade are: Bertha Hammons, Burness Ray Higgs, Edwin Willis, Billy Doyle, Dee Schertz, Johnny Flannagan, Dale Odom, William Bishop, Tom Hood, and Jimmy Fern Cudd.

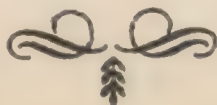

We then became (so we thought) important Freshmen. We were to have many new members join us during this term. They were: Wanda Switzer, Velmarie Selzer, Barbara Nell Newberry, Loretta Morris, Forrest Gene Masten.

Nothing unusual happened during our Sophomore year, but we did pick up a new student, Betty Jo King.

In our Junior Year we spent most of our time, when not struggling with our studies, raising money for the Junior-Senior reception, which was one of the outstanding events of the Junior year. It was a very colorful event.

At last we came to our Senior Year, the year for which we had waited so long. This has been a year which we will always remember. We had several entries into our class: Douglass Fletcher, Anne Walker, La Verne Brown, Mary Lou Vaughn, and Patsy Ward. The biggest events of our whole Senior Year are yet to come. They are the Junior-Senior Banquet, and the Commencement.

At the Hallowe'en Carnival this year the Seniors operated the bingo stand to make money for the annual which they are sponsoring. This is the first annual the school has had in a number of years.

CLASS PROPHECY

In May, 1946, the Class of '46 had planned its first reunion in the old Senior Classroom in Sanger High School, but, because all the members were unable to come and sent telegrams of regret, the faculty compiled these telegrams into one news sheet and mailed it to each member. Following is a copy:

Cannot reach Sanger in time for reunion. Sorry. Am leading dramatic soprano. Substantial, but still not fat. *Sona Loyce Cherry.*

As an astronomer, am studying the Heavens at the seashore with beautiful girl's assistance. Star-gazing date tonite. *Luther McNeil.*

Keeping a pet shop. Sorry, can't come. Expecting new shipment of Japanese Beetles. *Johnny Flanagan.*

Am a farmer. Raise winter wheat and summer squash. Can't come. Busy with harvest. *Tom Hood.*

Am steam riveter. Like the quiet atmosphere. Am putting nuts in new sanitarium so can't leave. *Edwin Willis.*

Am starting a series of evening dancing classes tonight, so am unable to come. *Wanda Chestnut.*

Am private secretary to the head of a huge corporation. He was born crazy and had a relapse. Can't get time off. *Wanda Lou Switzer.*

Have an 8 A.M. Chemistry Class. Can't make it there and back in three hours. *Bertha Hammons.*

Sorry. Can't come. Redecorating the nursery. *Coretta Morris.*

Am private nurse to sailors and soldiers in base hospital. Have good-looking patient with bleached hair. *Mary Lou Vaughn.*

Busy answering fan mail for Donald O'Connor and massaging Peggy. How I wish it were Donald or Harold! *Imogene Cole.*

Cannot be at reunion. Am going into ice box to see if light goes off when the door closes. *Burns Ashley.*

Sorry. Cannot be at reunion. Am taking care of our three kids and waiting for Burns to get out of ice box. *Ann Acker (Ashley)*

Regret that cannot be at reunion. Am too busy designing women's clothes. Cutest models. *Dee Schertz.*

Am teaching and coaching basketball at Krum. May be late for reunion for we have game with Valley View that day. *Forrest Gene Masten.*

Can't make reunion. Have important date with Margaret O'Brien and have to hit the bed early because have to shoot important scenes tomorrow. *Burness Ray Higgs.*

May not make the reunion. Mr. Powers has some last minute touching up to do on one of my latest poses. *La Verne Brown.*

Can't come because of important engagement with Martineau Fashion Designing Company. *Douglas Fletcher.*

Trains and planes crowded. Reservation not available. Am civil engineer in Switzerland. Surveying beautiful mountain scenery. *Dale Odum.*

Can't come. Have important "Ag" meeting in Austin. Trying to get the "American Farmer's Degree" for my son, H.O. III. *O'Neill Harris.*

Will come if am through working on important screen hit "The Last Days of William III". Supporting Higgs and O'Brien. "Duby" Bishop.

Can't come. Am happily married to prominent business man. Have to stay home with our three children. *Betty Lo King. (Carson)*

Class Will

STATE OF TEXAS

COUNTY OF DENTON

We, the members of the Senior Class of Sanger High School of 1945-46, being of a sound and disposing mind, do hereby make this our last will and testament.

It is with a feeling of regret that we do hereby bequeath to the Junior Class our rights to all good times and fun we had during our four years in High School.

We, the said class, do will and bequeath our classroom in the north west wing of the building with its scarred and battered desks, with full privilege to enjoy (?) the cold drafts of air during the winter months and the scorching sun rays during early fall and late spring. We also will to the Junior Class the right to have a bingo stand at the Carnival and the nice job of sponsoring an annual; and our new sponsor we had this year: we hope you will show him kindness and consideration.

We, the graduating Seniors, do will and bequeath our talents to the Juniors and the Sophomores, to use and develop to the best of their ability.

Mary Lou Vaughn wills her driving ability to Jeanie Flanagan, while Betty Jo King wills her deep and abiding affection for Valley View to Jeanine Wylie.

Wanda Lou Switzer wills all her extra bobby pins and combs to Raymon Waide, while Dee Schertz bequeaths her volley ball suit to Juanita Hammons.

Douglas Fletcher wills his typing skill to Douglas Simbson and Imogene Cole bequeaths her most exciting success in romance to Yvonne Harris. Johnnie Flanagan wills her frequent visits to the office to Betty Snider.

While Burness Ray Higgs wills his clean playing in basketball to C.W. Britt, O'Neil Harris wills his baby ways and childish mannerisms to Charlie Hernandez. To Teddy Joe Wolfenbarger, Edwin Willis leaves his athletic ability as a football star.

Dale Odom wills his "A" report card to Billy Roy Baker and Forrest Gene Masten leaves his queer ways to Junior Davis. Luther McNeil bequeaths his "wolf" technique to "Chub" Sellers.

Merle Ary will receive LaVerne Brown's attraction for sailors while Coretta Morris wills her ability to fix fancy hair-dos to Betty Marshall. Bertha Hammons wills her tiny feet to Wanda Jean Odom.

Class Will

William Bishop leaves his school attendance record to Fobby Ray Jones, and Billy Doyle wills his popularity with the fair sex to Dale Cole. Burns Isley wills his ability to play football to Fobby Willis, while Wanda Chestnut donates her skating ability to June Rice. Lora Joyce Cherry wills her voice and singing aspirations to Betty Stanford, and Gimmie Fern Cudd passes her dancing ability on to Anna Mae Scott. Anne Acker wants Brooksie Windle to have her grass skirt, while Patsy Dard wills her sweaters to Judy Ramsey.

To all the Juniors we leave good will and best wishes for the future.

To the teachers whom we have tried so hard to teach all that we know--you will never have a better class than this one--so you shall be honored because we are remembering you in our will: To Mrs. Wright we will all battered and leaky pots and pans in the homemaking room. All those typewriters with sticky keys and whose margin releases don't work, and some bookkeepers who want to do their work in pencil we leave to Miss Callie. The privilege of assigning 5,000 word themes in Civics and History, we bequeath to Coach Doak. To Mrs. Cunningham we bequeath all misspelled words, Macbeth, and all errors in grammar. Mrs. Burroughs may have the right to pick a winning volley ball team that does not get mad.

The most important one is to Mr. Harris because Gimmie Fern, Edwin, and even O'Neil said they would leave a little hair for him. We also leave most of the stragglers and little bustees to our Superintendent.

To the School Board we will our appreciation for their good will and cooperation; for granting us holidays and privileges for four years.

This will is hereby drawn up on this the eleventh day of December, 1945.

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
